- **ecoQuery**
 - User interface for accessing the ecoinvent database
 - Available to all users of the ecoinvent database
 - Users who purchased the ecoinvent licence directly from the ecoinvent Centre
 - Registered guest users
 - Users who purchased our database through one of our resellers
- **ecoinvent support**
 - Collection of documents, files, FAQ and forum

How to access the ecoQuery and ecoinvent support

- www.ecoinvent.org

The screenshot shows the ecoinvent website homepage. A large blue arrow points from the top of the slide to the login buttons on the right side of the page. The buttons are labeled "LOGIN to ecoinvent VERSION 3" and "LOGIN to all other ecoinvent databases". The "LOGIN to ecoinvent VERSION 3" button is circled in blue. The website header includes the ecoinvent logo and the text "a Competence Centre of:" followed by logos for ART, PSI, EPFL, ETH, and EMPA. The main navigation bar contains buttons for "Database", "Data Providers", "Support", "News & Events", and "About Us". The left sidebar features a "Latest News" section with a link to the "ecoinvent Newsletter - 8/2013" and a date of "20.08.2013". The main content area has a heading "Discover ecoinvent Version 3" and a paragraph describing the organization and its data services.

ecoQuery - search function

Search in Activity and Reference Product Names 

System Model

☒ Undefined

These are the unlinked, multi-product activity datasets that form the basis for all the other system models. This is the way the datasets are obtained and entered by the data providers. These activity datasets are useful for investigating the environmental impacts of a specific activity (gate-to-gate), without regard to its upstream or downstream impacts.

☐ Substitution, consequential, long-term

☐ Allocation, ecoinvent default

Search: <input type="text"/>							
<div>FirstPrevious1NextLast</div>

ecoinvent support

- www.ecoinvent.org/support

A screenshot of the ecoinvent support website. The top navigation bar has five red buttons: "Database", "Data Providers", "Support", "News & Events", and "About Us". Below the navigation bar, the breadcrumb "Home > Support" is visible. The main heading is "Support". The welcome message reads: "Welcome to the support site of ecoinvent! This pages intends to provide answers to question you may have on ecoinvent related topics in general but also to questions specifically related to the brand new ecoinvent version 3.0:". Below this, there are four red arrows pointing to links: "Glossary of ecoinvent Terminology", "Frequently Asked Questions (FAQ)", "Documents and Files", and "Useful Links". On the left side, there is a sidebar with a blue circle highlighting the "Support" section. The sidebar contains links to "Glossary", "FAQ", "Documents and Files", "Forum for ecoinvent V3", and "Links". At the bottom of the sidebar, there are two promotional links: "Join our Forum for ecoinvent V3" and "Implementation of ecoinvent V3 in your LCA Software".
